

WHISC? SOA What?

The U.S. Army School of the Americas (SOA) has been training terrorists since 1946, and it has been exporting terrorists from Fort Benning, Georgia, since 1984. Renamed in 2001 as the "Western Hemisphere Institute for Security Cooperation," or WHISC, the "School of Assassins" has a different name but the same shame; continuing it's training of over 60,000 assassins, responsible for killing thousands of peaceful civilians. The School of the Americas - It's all in the WHISC! WHISC stirs up hatred, and more than a few bad eggs. Let's try nonviolence - anti-terrorism that works! We can't WHISC it any more. The true patriot act is to close the SOA. Teach peace! Closing the SOA is no yoke! Speak out for those silenced...
